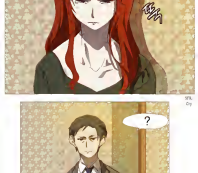
SFX: Open

Dad you were awake
So wait for me?

I've told you before...
I'll be home late
because of work, so you...
You don't have to wait for me!
You work hard as a professor,
so you should get some rest.



SFX: Cry

?

I don't know what's
wrong with Jiyeon.

He has a normal IQ, and
the doctors can't seem to find
anything wrong with him
so why can't he say anything yet...?

The doctor who you
were referred me to
said he gave it time, but
how can we do that?

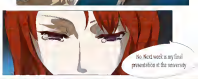
He's not just a
'late bloomer'.
He's going to be
7 years old soon!

If there's nothing wrong
with Ji Yeon, is it my fault
or mine? Could I be a problem
with how I raised her?

How can that doctor
just tell me to wait?

SFX: Sigh

And like I told you before,
you need your rest.
I trust the president for as
wonderful a woman as anyone today
and he told me that she was not
his patient from a month or so ago.



To the sea...

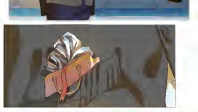
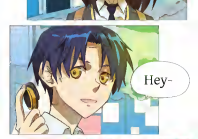
## the Skylark says

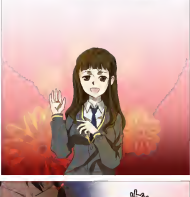
By Lee Won Jin

12th Story

I'm typically
a serious game junkie
who only notices
game event days.







March 14th. It's been
two weeks since
the new year started at school.

By the time I realised it, my classmates
were forming guilds in various places.

[Model Student Guild]
Great guys. Great girls.
This group of people have
a level of control over the class.

[Celebrity Guild]
The popular kids who
affect the mood of the classroom.

[Kids Who Like to Appear Tough Guild]
Like it says, they try to act tough and don't
have many friends in class.

And other students who are normal.
Three or four of them make
small guilds of their own.

This is really unexpected.
The Exam Results
Name
Point
Sang Hyun Yeon
Ji Hoon Lee
Ji Hoon Lee is second? Isn't he supposed to be an idiot?
채집대회
모기
Was he always good at studying?
My friend in another class said Ji Hoon Lee is very rich
SFX: Slam
There was a Benz car waiting for him at the front school gate
He even has his own driver...Hehehehe
SFX: Ktck
What is he thinking? I can't tell just looking at him.

And the kids who don't belong to any group become prey for other classmates, when they show the slightest weakness.

Like the high-level player who hunts low-level players to show off their strength...
